Carefree Cape

Making Your Life by the Sea Worry-Free

"You continue to impress us. From the constant updates you sent while we were building our home to the care you provide now. We never worry because we know you take care of everything." —James and Cathy, North Falmouth and Cambridge, MA (clients for 3 years)

"It's such a relief to know Carefree Cape is looking after my home. I don't know how I ever did it without you. Making one phone call and knowing everything will be done with a high level of quality has given me the freedom to stay away for much longer periods. It's truly a pleasure to arrive on the Cape with everything in perfect order—my yard, flower gardens, the cleanliness of my home. You even have all the right foods in my refrigerator. I wish you were with me everywhere I go!"

—Martha, West Falmouth, Wellesley, MA and Naples, FL (client for 4 years)
